

MSC ELITE EDGE SYNCHRONIZED SKATING TEAM TRYOUTS

The Markham Skating Club's Synchronized Skating team teaches the basics of synchronized skating in a positive and fun environment.

This year our team will be coached by Candice Keast. She is currently planning the practices, and will be bringing a fresh new approach to our team. The "Elite Edge" team will participate in at least one competition each year.

Who Can Join?

All members of the Markham Skating Club (Intermediate and up) are invited to become part of our "Elite Edge" Synchronized Skating Team. Note that our more Advanced skaters are also strongly encouraged to try out, as we are discussing creating different positions within the team. These positions will be finalized once we evaluate the levels of experience available for the 2010-2011 season.

Please note that in addition to team practices, all skaters must be registered in an additional 2 days per week at MSC.

To register a team, we need a minimum of 8 skaters – so come and try out!

When & Where?

Tryouts will be: Friday Sept. 10 from 4:10-5:00pm
Saturday Sept. 11 from 8:00-9:00am
Friday Sept. 17 from 4:10-5:00pm
Saturday Sept. 18 from 8:00-9:00am

***everyone must attend all 4 tryouts unless other arrangements have been made.**

Successful candidates will be welcomed to the team, and will practice Friday evenings throughout the season from 4:10-5:00pm. We are also hoping to develop a one hour off-ice session which will be scheduled once the team has been chosen.

Please note that a deposit of \$100.00 is required at the first tryout. If the skater is unsuccessful, the deposit will be refunded less a \$10.00 administration fee. Team fees may be discussed at the tryouts or during registration.

If you have any other questions, please email us at synchro@markhamskatingclub.com.

We look forward to seeing you!

Sincerely,

Bill Jennings
MSC Skating Programs Coordinator
